Originated in Senate Ling Welch Secretary

SENATE BILL NO. 2894

AN ACT MAKING AN APPROPRIATION OF SPECIAL FUNDS TO DEFRAY THE EXPENSES OF THE OFFICE OF THE SECRETARY OF STATE FOR FISCAL YEAR 2016.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State Treasury to the credit of the Office of the Secretary of State, for the purpose of defraying the expenses incurred by said office for the fiscal year beginning July 1, 2015, and ending June 30, 2016..... \$ 19,236,360.00.

SECTION 2. Of the funds appropriated under the provisions of Section 1, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	98
	Part Time	0
Time-Limited:	Full Time	13
	Part Time	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2017 do not exceed Fiscal Year 2016 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2016 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2016 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2016 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State

Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 3. None of the funds appropriated by this act shall be expended for any purpose that is not actually required or necessary for performing any of the powers or duties of the Office of the Secretary of State that are authorized by the Mississippi Constitution of 1890, state or federal law, or rules or regulations that implement state or federal law.

SECTION 4. No part of the funds appropriated herein shall be used, either directly or indirectly, for the purpose of paying any clerk, stenographer, assistant, deputy, or other person who may be related by blood or marriage within the third degree, computed by the rules of the civil law, to the official employing or having

the right of employment or selection thereof; and in the event of any such payment, then the official or person approving and making or receiving such payment shall be jointly and severally liable to return to the State of Mississippi and to pay into the State Treasury three (3) times any such amount so paid or received, to be recovered at suit of the Attorney General; provided that when the relationship is by affinity and the person through whom the relationship was established is dead, this provision shall not apply.

SECTION 5. It is the intention of the Legislature that the funds deposited to the Elections Support Fund be maintained separate and apart from other special funds derived from fees charged by the Secretary of State and shall be used by the Secretary of State as authorized herein.

SECTION 6. In addition to all other sums herein appropriated, the following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State Treasury to the credit of the Secretary of State, for the purpose of defraying the expenses associated with providing voter identification cards and voter outreach for the fiscal year beginning July 1, 2015, and ending June 30, 2016... \$ 100,000.00.

It is the intention of the Legislature that the funds appropriated herein shall be maintained separate and apart from the other special funds derived from fees charged by the Secretary of State and shall be used by the Secretary of State for the

purpose of providing voter identification cards and voter outreach to those individuals in need of voter identification cards.

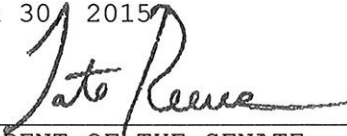

SECTION 7. Of the funds appropriated in Section 1, the Secretary of State may use Two Million Seven Hundred Fifty Thousand Dollars (\$2,750,000.00) for the purposes of defraying litigation expenses associated with the enforcement of the Mississippi Securities Act, the Regulation of Charitable Solicitations Act, and the administration of the Public Trust Tidelands.

SECTION 8. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 9. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers in the manner provided by law.

SECTION 10. This act shall take effect and be in force from and after July 1, 2015.
